

## **Atlantic Carbon Group Shareholder Open Days in Pennsylvania 24-25 May.**

Atlantic Carbon Group plc will be holding shareholder open days at its Pennsylvania anthracite mining and processing operations on Wednesday and Thursday, 24th and 25th May 2017.

There will be mine and processing plant visits and the opportunity to speak with directors and management.

Arrangements can be made for pickups from and to New York Newark (EWR) airport and for accommodation in Hazleton.

Reservations need to be made not later than 10th May.

If you have any questions and/or to make reservations for the open days please contact Barney Corrigan:
