

New Chief Executive Officer and Board Appointment

Seth Schwartz has been appointed as Chief Executive Officer (“CEO”) and Director of Atlantic Carbon Group plc (“ACG”).

Seth Schwartz is a veteran coal industry professional and consultant. He was a founder of Energy Ventures Analysis, Inc. in 1981, a prominent consulting firm in the North American energy markets. He has served on the board of directors of several private coal producers and previously served as the CEO during the reorganisation of Centennial Resources, a Kentucky coal company. Seth has a degree in Geological Engineering from Princeton University.

Adam Wilson, the former CEO and Director of ACG, has stepped down from ACG but will continue as a consultant for the Company with the title of “Chairman Emeritus”.
